Vulsellum

Cusco speculum (self-retaining)

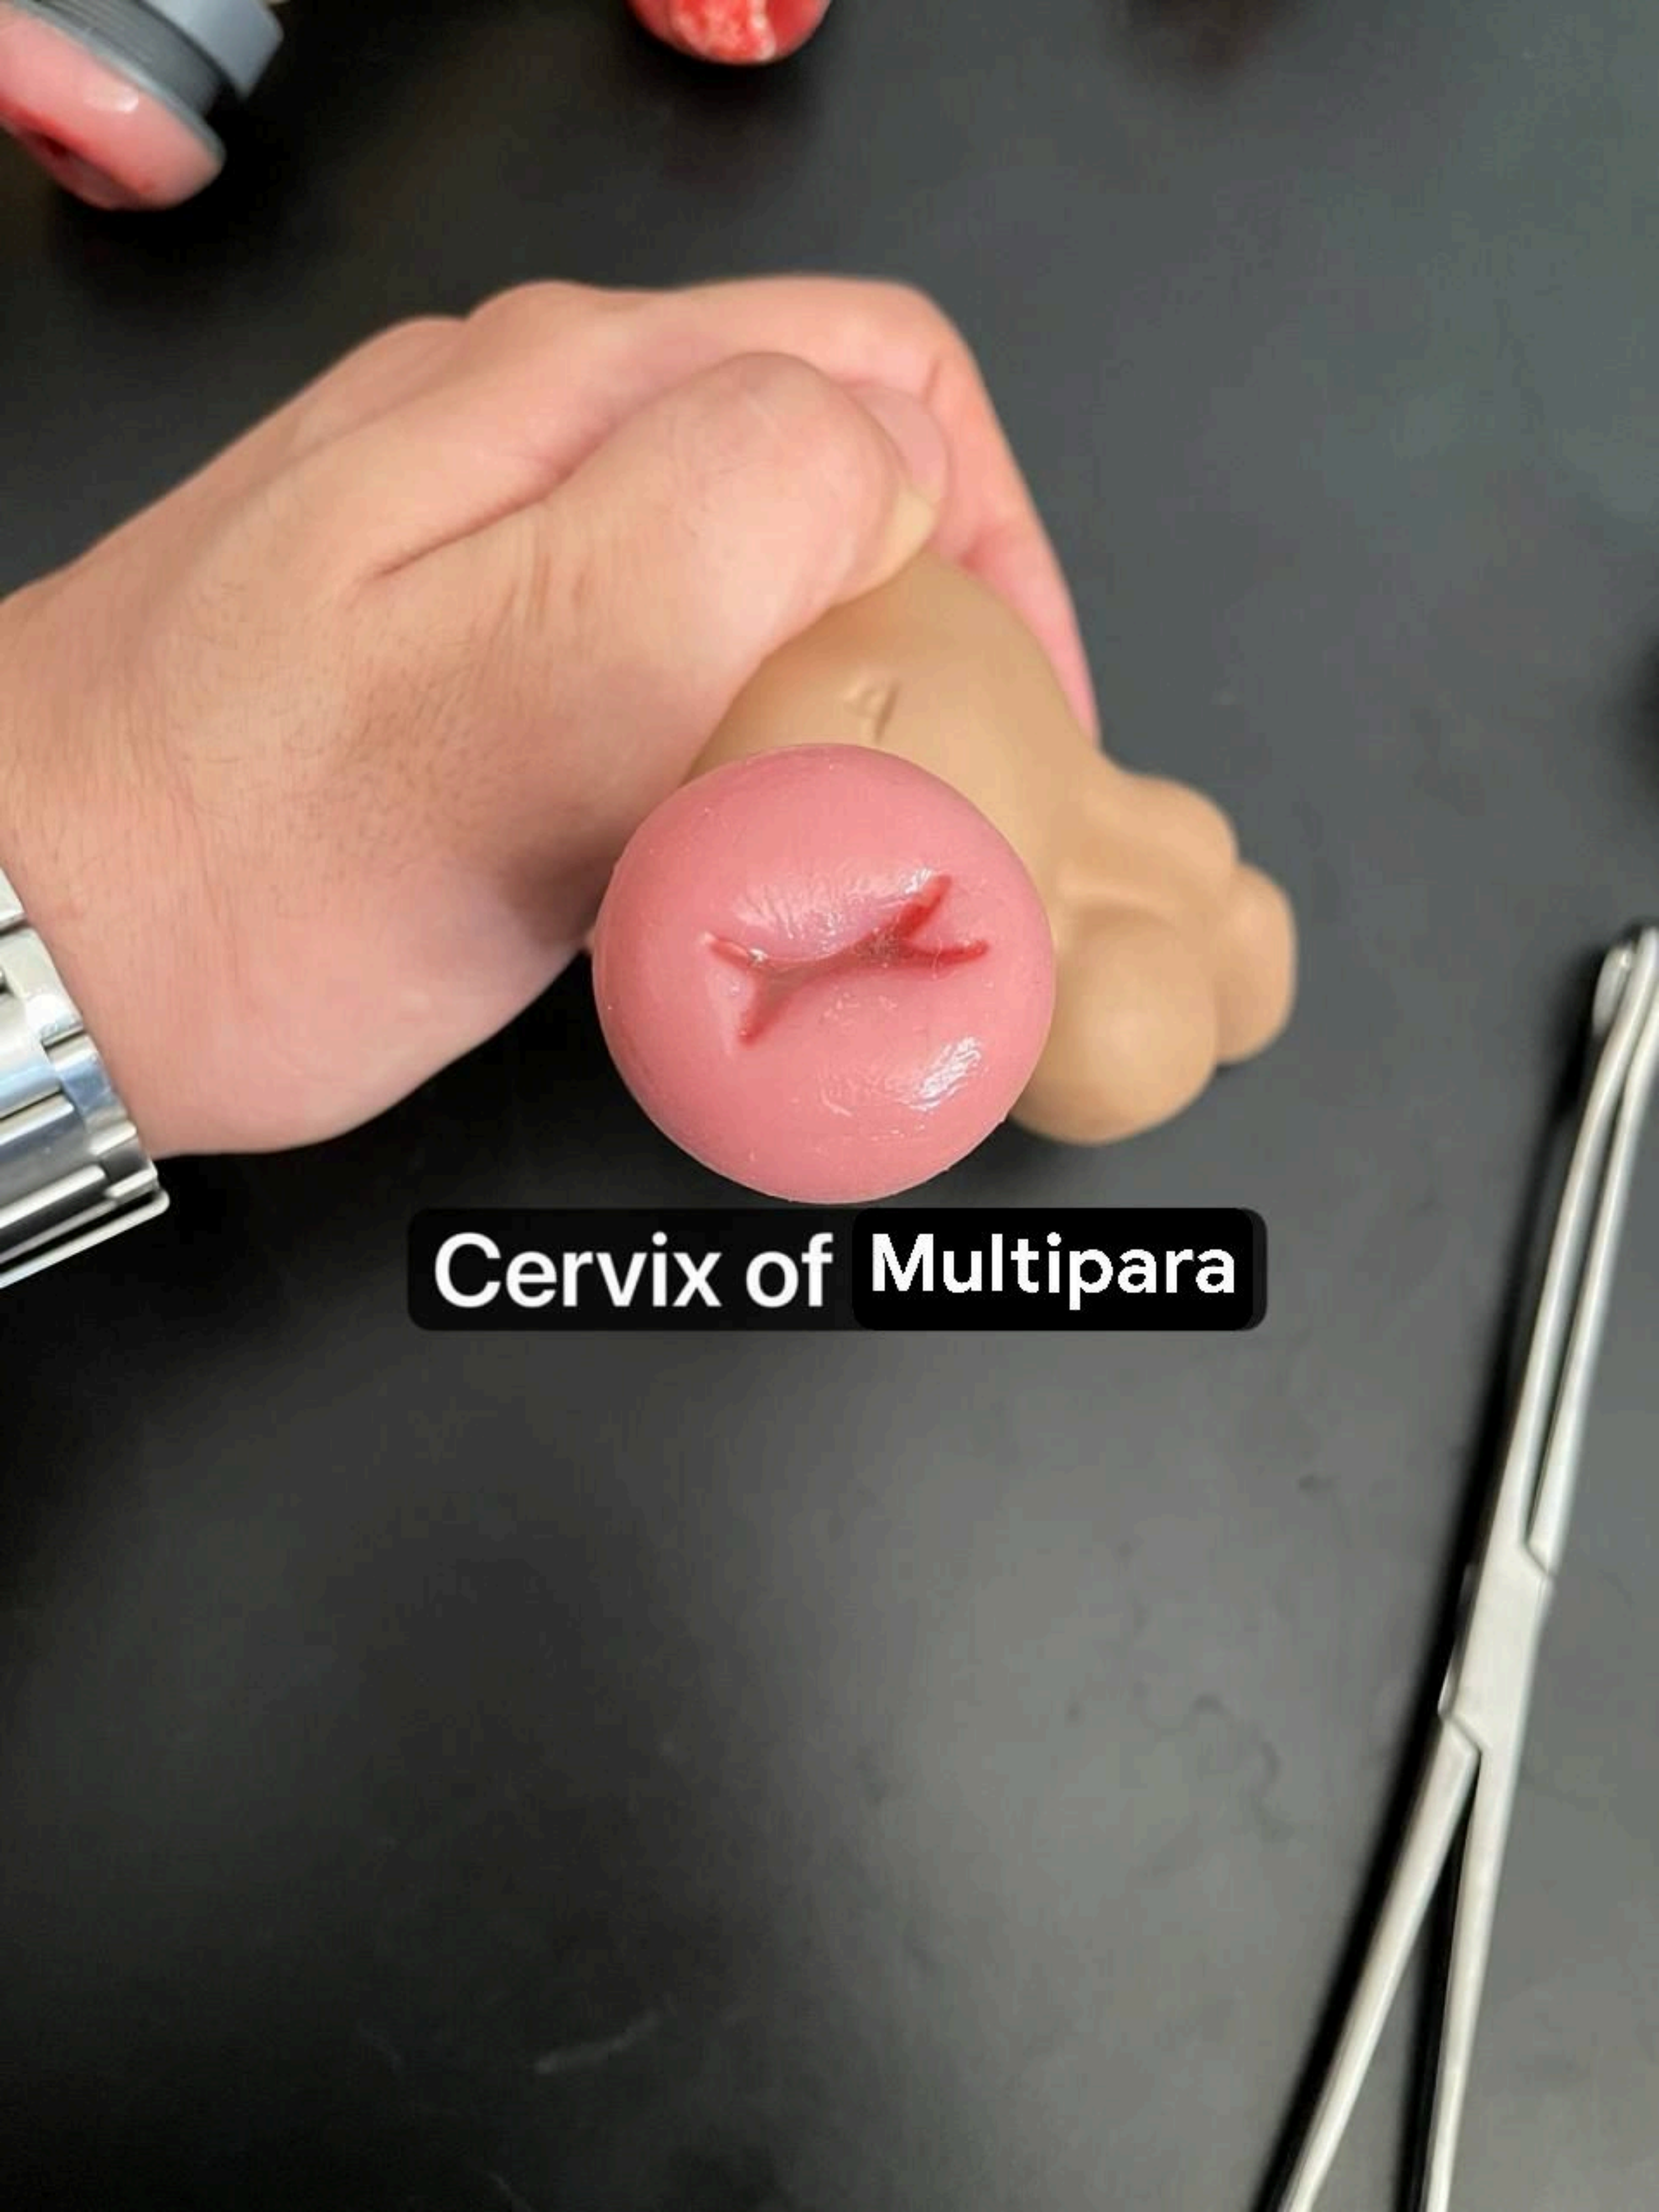

A photograph of a medical instrument, a Sims speculum, lying on a dark grey surface. The speculum is made of polished metal and has a long, thin handle with two curved blades at the end. To the right of the speculum is a pink anatomical model of the female reproductive system, showing the uterus, fallopian tubes, and ovaries. In the top left corner, there is a small, round, pink object with a hole in the center. In the bottom left corner, there is a small, circular metal ring.

**Sims speculum(non self-
retaining)**

A hand is holding a medical model of a cervix. The model is a pink, circular structure with a central opening. It is being held against a dark background. A text overlay is present in the center of the image.
